I can't believe it...
What the hell is Moriuchi-kun doing?

So, is she really a boy?
I think there's no mistake
I'm sure of it
More importantly, are you going to be ok, Midori-san?
If we can prove that she's a boy, then both Kanna and Keiga-san should come back to us
It's almost time for physical examinations
Miwako, the school doctor, is a friend of mine
I talked to her and this caught her interest. She said she'd help us out
I'm going to be assisting her as well, so
The problem is coming up with something that will make Kashiwagi undress her lower half too
Well... I don't think that high school students in the midst of their physical development would go that far, but

It's 2007 now.
The project has been delayed
for a long time during 2006.

But...

I gathered new energy together and
I want to continue with Boku no Futatsu no Tsubasa.

I want it complete no matter what.
Thus with a new step forward in the new year 2007
I still need your support in cleaning and editing pages.

Another scanlation group already completed it.
I have nothing bad to say about that.
I know very well that there are people who can't wait that long.
Heck, we started it for the same reason.
Therefore, I want to thank Innocent_Sin for reducing the
pressure around the BnFnT project.

But since their version is in very low quality,
our project will proceed with high quality and
the best translation one could bring you.
As you have already seen from us.

Next chapters will be released in a short while.

The old 2nd project Boku no Shotaiken will follow the BnFnT project.
And as with this, new projects are already planned with
interesting and funny titles, since I acquired some vintage titles
from Japan. Check the forum for further information.

Thank you for your patronage in 2006,
let's give it our best in 2007!

All right... lay on that bed over there

So that is Tomoki-kun's recommended female shaping underwear...

However why does it have to be so explicit...

Without a doubt he had a sex change then
Can't she do an X-ray or do a Blood Test or something?
Well then isn't she a girl?

So if we check her chromosomes, we can confirm whether she is a girl or boy
I think the only things we can't do here is X-raying and Blood work

Pardon me. Go ahead to class.
I have to use this

Ha…
Wa!
Haaa…

It's my fault that every one has gotten involved...
and met up with same dangerous situations
Mako-Chan are you okay?
But, at the same time it feels like it's become kinda stifling
...
Everyone worrying about me is normal and I'm happy for that
Yea.
Don't worry about it
I kinda just wanted to be alone...
Sorry.

Hey...
Kanno has been avoiding me all the time now
Well... That...
You have to understand, that she fell in love with you when she thought you were a girl
Because... you know, that for Kanna, the objects of her affection can only be girls
And...
So when you were doing it...
finding out that you were also a guy was an incredible shock for her...

Yeah, I understand that but ..
Until now you've always been chased around by her.
The sudden stop of that has probably made you feel a bit lonely huh
And you probably feel responsible for tearing Kanna's hymen
.....
But, now you're better off doing nothing
Because Mako-Chan you can't change how Kanna feels about you

Read from after there to the end of the next page

The cause is Kashiwagi, huh
Yeah.

So
What is it this time?
Tama, it was as you said it was
Eh?
What I said?
About how Kashiwagi is probably a guy .....?
Your doubts were right, Maka-Chan has a male member attached there.
Also, it was pretty nice...

"Nice", How do you know that?

Because, I had sex with her...

Wha...
Wha...
What!
Toma seeing the reaction I expected from you has made me feel a little bit better

Mako-Chan is not a boy
Your theory was half wrong
While you were still surprised I thought about telling you one more thing.
She has boy parts and girl parts. She is a hermaphrodite
She has Bo..
Both!!

Even though I told you about this, if you ever once talk about this or spread it around,
I will bear a grudge renounce you and never forgive you for all my life.
Got it?
Y-yeah
But
Why then do you like Kashiwagi?
Weren't you the one who would never do it with a guy?
I don't get it.
I don't get it either that is why I'm so troubled.

Anyways.
About Ayame-Chan,
you have't talked with her at all Since that time.
Yup.
It's kind of difficult to meet with her.
Since, she turned me down.

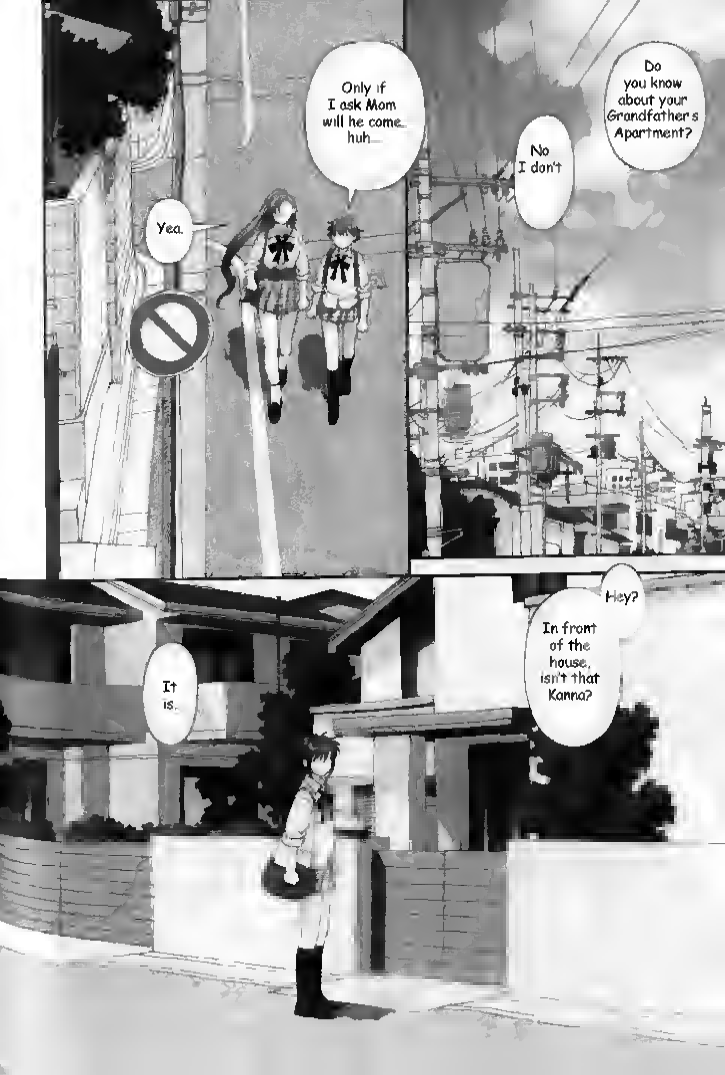
Makoto
Well...
Is inconceivable
Ayame-Chan accepting me for me...
Since Kanna's reaction was like that...
I have something I want to tell you
It's about that teacher that quit Abiko...
Dad?
Dad, What's the matter?

Hey
I wanted to talk to you about this..but you've seemed to have wander off topic!!
Anyways.. The
Hey..
Makato-Chan
Your timing is really off
That was the morning topic..
umm..
Because your father and mother were gone,
Weren't you raised by your Grandfather?
Your Dad who is talking now,
Who is he?
hmm
huph !

Well then, We better ask your Grandfather what the truth is!
Some how I feel that this Dad of mine inside this cellphone is really, genuinely my Dad.
My Grandfather told me shortly after I was born that both my parents died but.
Maybe Kanako-san knows something about this.
Mom?
Hmm, I wonder.
Hey! Listen to me!

I want to confirm this
PI
Is this the guy called Abiko?
Yeah he s the ringleader of those guys that were targetting Makoto-Chan
Yup

He was the Chemistry Teacher that suddenly came to our school this semester and just as suddenly quit
Keigo witnessed him directing those guys with his cell... to attack Mako-Chon
All right...
That guy
I met him at Kashiwagi's grandfather's apartment
Your Grand-father and him are some how related
That's what I wanted to tell you earlier...
.....



Do you know about your Grandfather's Apartment?
No I don't
Only if I ask Mom will he come... huh...
Yea.
Hey?
In front of the house, isn't that Kanna?
It is.

Can I come in?
Yeah please do ♡
I'll bring up drinks and snacks in a bit...
Kay
Kanna this is the first time you've been in my room huh

It's not my guest, It's Mako -Chan's guest.
Also, you really don't have to say "Guest," since it's a kid from our same class.

No it's a girl

Is it a boy?

I was quite troubled but,
I resolved that I would be true to my feelings for you after all.
For me..
It's true
That I thought it would be inconceivable for me to fall in love with a guy.

But Mako-Chan you're different
Mako-Chan if it's you

Mom
We have to talk.
What's with the sudden change.
Well
It's about Mako-Chan
Something is wrong huh

You were attacked?
It happend twice
And..
You didn't report it to the police?
The first time, it was for Mako-chan's cellphone.
The second time it was for Mako-Chan, herself.

The ring leader of our attackers was one of our school's teachers and...
Well
that person might be related to Grandfather in some way

Recently it seems that Mako-Chan's dad

Aren't Mako-Chan's Mather and Father dead?
Mom ?

Her Dad you say
Could that really be true?
That's what Mako-Chan seems to think
Hey..
?

I'd better hurry home
I came here straight from school. So...
I'm sorry
What's up...
I was just thinking of bringing up some drinks and snacks right now

Ah, Did you hear us?
Did some-thing happen?
Why is the atmosphere all weird...
Eh!?
It's okay.
We didn't hear anything down here.
I told Mom about

Hiromi and Makoto get changed and pepare to leave
We're going to Dad's place right now..
Don't forget to bring your cell, okay.
Ma-Koto
.....

Humph.
Anyways, come up.
Dad, you're the same as ever.
Nice place, but it feels a little lifeless.
Wow
It was located this close to us...

You revealed everything too quickly
I don't think my heart is pepared for this
Sorry
I think it's time to tell Makoto the truth
Even the parts that I, myself don't know
Dad you know

Tell the truth you say
.....
For Makoto and Hiromi
What I have to tell you all will be quite shocking
Are you fine with that?
